High Prices Must Come
Down, Big Profits
Must Fall, Extortion
Must Cease.

The Writing on the Wall.

Read it. It means help for you. Hereafter, those who want to sell goods in our line will have to see what we are doing, and come down to our notch. If they do any chin music, they'll have to take the time from us. If they march, they'll have to pick up one step or get their toes trodden on.

We Propose to Lead.

And keep on leading, and others must follow or fall. We are not making a bluff for trade. That game has played out. We are stating facts. The proof lies in our goods, which are leaders in every line; in our prices—lower than anybody's. We propose to keep on giving you facts until you give us trade and are convinced of every claim.

Keep Your Eye on Us

And you will see some things that will be worth watching as the Holiday season draws on. If you have any little wants in mind, just jot 'em down and wait. It's more than likely that we shall have what you want, at a price you won't get outside our store. So hold your horses and keep your eye on
